Charges:

General

1. What should be AACP's position regarding ranking/classification systems to aid in student choice of Pharmacy schools?
2. What qualitative and quantitative criteria should be used to rank or classify schools?

US News and World Report Survey

1. Should we continue to participate? If not, how do we enforce nonparticipation?
2. What quantitative criteria are we recommending to supplement the reputational survey done by USNWR? For example, what quantitative criteria are used by the other surveys? Can we provide the data and are they willing to use it?
3. If we agree with the data used, how do we work with USNWR to encourage a higher response rate?

Other Ranking Surveys

1. Are there other national surveys in which we can participate in order to minimize the impact of the USNWR?
2. Should AACP create its own classification system to aid users such as the Carnegie Classification System?

Outcome

- Held an open session at the AACP Annual Meeting.
- Gathered literature on collegiate ranking systems.
- Currently in the process of reviewing the existing literature as well as the various options and prioritizing them.

- A proposal to extend the work of the Task Force into the next academic year is pending.

COD Programming at the AACP Annual Meeting

The following COD sessions will be held at the AACP Annual Meeting on July 11-15 in National Harbor, Maryland:

COD Business Meeting, Monday, July 13, 1:30 p.m. - 3:15 p.m.

All Members of the Council of Deans are invited to attend this session in which reports on current and future council priorities will be presented.
